Digital Portfolio: https://chetnalamba11.netlify.app/

A passionate, young woman who believes in conscientious and diligent tasking. Currently a regular student, cruising through the final year of B.Tech in Computer Science with specialization in Data Science.

I pride myself on my unwavering curiosity, commitment to continuous learning and eagerness to collaborate. I do have a genuine desire to make a meaningful impact in the world of technology.

Reading books and playing with pets are a few of my favorite pastimes.

TECHNICAL SKILLS

- Python and R (Intermediate)
